

Stoneydelph Primary School Special Educational Needs and Disabilities Newsletter January 2023

Hello all, I know most of you already know me but I wanted to introduce myself as the school SENCo. I work in school on a Monday-Wednesday, predominantly you'll find me in Maggies class on a Monday and in Y3/4 teaching computing on a Wednesday morning. I do have time out of class all day on a Tuesday, so if you need me for anything it's always the best day to get in touch.

From the Spring Term I will be offering a drop in session where you can book in to see me for a 30 minute meeting, this will be for any parents who want support, guidance and signposting to different agencies. The first session will be on the 6th February 2023, I will set up a booking in system closer to the time. In the interim if you need me for anything you can contact me on Dojo, I have been added to every class or you can email me on k.devitt@Stoneydelph.staffs.sch.uk

This will be the first of our half termly newsletters. I will share these with you once a half term so the next one will be with you after February half term.

Many Thanks for your continued support

Mrs Kate Devitt

To find information, advice and services to support your child with SEND please follow the link below to be directed to the Staffordshire Connects Local Offer, here you'll find local support groups within your area.
