If children live with shame they learn to feel guilty

If children live with encouragement they learn confidence

If children live with appreciation they learn to appreciate

If children live with fairness they learn justice

Depending on what your support request is I may need to complete an Early Help Assessment form with you. Before starting to work with a child I will always obtain your consent. I am able to offer a confidential service regarding personal issues. If necessary I would seek your permission to share the information with staff at school or with other agencies. ***Should a child protection issue be identified I am legally bound to follow Government Guidelines.***
