

Geography Year 5/6

Geographical skills & Fieldwork

I learnt these skills in Year 3/4 in units like Misty Mountain, Road Trip and Rocks, relics and rumbles to

Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.

Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

I will use these skills in years 5/6 in units like Frozen Kingdom, Sow, Grow and Farm and Stargazers to...

Use fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.

Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

I will use this knowledge in Year 7 and beyond to consider the following careers:

Cartographer.

Commercial/residential surveyor.

Environmental consultant.

Geographical information systems officer.

Planning and development surveyor.

Secondary school teacher.
